

Frederick County, MD

To: Assignment Editors / Business Community

From: Melissa Lentz, Day of Event and Direct Contact: 410-409-0535

EVENT: National Rebuilding Day

DATE: SATURDAY, APRIL 30, 2016

LOCATION: Various locations throughout Frederick County

TIME: 8:00 a.m. – approximately 5:00 p.m.

The Board of Directors of Rebuilding Together, Frederick County, cordially invite you to visit any of the 17 homes that will be rehabilitated during our National Rebuild Day on Saturday, April 30.

Since Rebuilding Together, Frederick County was founded in 1995; over 275 homes in Frederick County have been rehabilitated for local homeowners, amounting to a capital reinvestment of over \$400,000.

As a national organization for over 20 years, Rebuilding Together has provided extensive home rehabilitation and modification services to homeowners in-need. Collectively, Rebuilding Together has completed work on more than 100,000 homes across the nation. With the help of 3.4 million volunteers, Rebuilding Together has delivered over \$1.3 billion in market value since its founding.

Our Rebuild Day – April 30

In preparation for the Rebuilding Together event this year, we have established a number of volunteer groups/individuals for this year's "Rebuild Day Event." We received 49 applications this year, and the scope of work varies from very light to heavy. All projects will enable the elderly, disabled, veterans, and low income families with children to remain safely and comfortably in their homes longer than had we not taken on these

projects. The Frederick County Fire Department will return this year to install smoke alarms, partnering with the American Red Cross, who will be providing the alarms.

We accept and appreciate tax-deductible cash or check donations. We are also in need of gift card donations that can be used to buy building supplies. We encourage donors to send their tax-deductible donations to:

Rebuilding Together, Frederick County MD
P.O. Box 1822
Frederick MD 21702
