EVENT: Rebuilding Together, Frederick County, 2014 Project Day

DATE: SATURDAY, APRIL 26, 2014

LOCATION: Various locations throughout Frederick County

TIME: 8:00 a.m. – approximately 5:00 p.m.

The Board of Directors of Rebuilding Together, Frederick County, cordially invite you to visit any of the 16 homes that will be rehabilitated during our 2014 project day on Saturday, April 26, National Rebuilding Together Day.

Since Rebuilding Together, Frederick County was founded in 1995; over 250 homes in Frederick County have been rehabilitated for local homeowners, amounting to a capital reinvestment of over \$400,000.

As a national organization for almost 25 years, Rebuilding Together has provided extensive home rehabilitation and modification services to homeowners in-need. Our network of 187 affiliated non-profits brings together 100,000 volunteers and completes nearly 10,000 projects each year, across the nation. We more than double the value of every dollar donated. Collectively, we've reinvested over \$1.3 billion in market value into the communities we serve.

Our Rebuild Day – April 26

In preparation for the Rebuilding Together event this year, we have established a number of volunteer groups/individuals for this year's "Rebuild Day Event." We have identified 16 homes, and the scope of work varies from very light to heavy. All projects will enable

the elderly, disabled, veterans, and low income families with children to remain safely and comfortably in their homes longer than had we not taken on these projects.

We accept and appreciate tax-deductible cash or check donations. We are also in need of gift card donations that can be used to buy building supplies. We encourage donors to send their tax-deductible donations to:

Rebuilding Together, Frederick County MD

P.O. Box 1822
